Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Saturday 22 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Remaining unsettled with rain, at times heavy on Sunday.

This Evening and Tonight:
During the evening, any showers soon clear the region with clear spells developing widely. Overnight, cloud gradually builds from the west with winds turning breezy. Minimum temperature 2 deg C (36 deg F).

Sunday:
A cloudy start with scattered showers developing through the morning. Remaining cloudy into afternoon with rain, at times heavy pushing east into evening, accompanied by gusty winds. Brighter later. Maximum temperature 12 deg C (54 deg F).

Outlook for Monday to Wednesday:
Sunny spells and scattered showers, locally heavy on Monday. Risk of daytime showers with sunny spells between during Tuesday and Wednesday. Temperatures gradually returning closer to average.
